Subject: 2025 National Committee Recommendations

As we commence the planning for our 2025 national committee appointments, we seek your collaboration in identifying dedicated members willing to contribute to MCAA's mission through service on a national committee. Our commitment to enhancing engagement within these committees remains steadfast, as they serve as a vital platform for recognizing potential candidates for our Board of Directors and future leadership roles.

Enclosed, you will find a comprehensive list and descriptions of the MCAA/MSCA committees open for appointments in 2025, accompanied by a nomination form. Please be aware that openings are limited, and while we value every member's desire to participate, we may not be able to fulfill all requests.

Should any of your members currently serving on an MCAA/MSCA committee wish to step down, kindly inform us. We will be evaluating all current committee members during the nomination process, and they will receive correspondence confirming their continued involvement or otherwise.

For any inquiries or further clarification regarding committee responsibilities, please do not hesitate to contact Jan Grillo or myself at the national office at (301) 869-5800.

We kindly request that you submit your recommendations to Jan Grillo at jgrillo@mcaa.org by **November 4**. Your efforts in supporting our association's endeavors are greatly appreciated.
